To Whom it may concern,

It is my pleasure to recommend Mary Ellen Plaenk with Istria Property Management. I have known Mary Ellen for a number of years, during which time I have been confident to recommend her as a property manager for single family homes to multi-family apartment buildings. I work with a number of investors, and Mary Ellen is highly recommended to them as a qualified property manager. As a person to be cautious of giving references I have no reservations about Mary Ellen's ability to property manage. She is an honest, trustworthy, and capable individual who has the skills and experience required to run a successful business.

If you have any questions about my relationship with Istria Property Management, please do not hesitate to contact me.

Sincerely,

Gary J. Vandervelde
